SOUTHERN THAILAND

For those seeking an adventurous luxury yacht charter, Thailand's archipelagos promise natural beauty in abundance – from lush jungle peaks to hidden caves and magical seascapes.

Discover the opulence of Phuket's yacht scene before setting course for the Phi Phi Islands, where soaring cliffs plunge into emerald waters. Drift south to the pristine Andaman Islands or venture east toward the secluded archipelagos of Koh Mak and Koh Kood for escapes that feel untouched by mass tourism.

To the west lies the Similan and Surin Islands, a haven for divers with vibrant coral gardens, while the south is home to Koh Lipe and the Adang Archipelago, where powdery beaches and crystal-clear lagoons invite uninterrupted serenity. The Gulf of Thailand offers a different kind of escape, with Koh Samui, Koh Phangan, and Ang Thong National Marine Park delivering lush jungle peaks, hidden caves, and sunset-hued seascapes.

Wake to the gentle lapping of waves as a private chef prepares a sunrise breakfast on deck, followed by a day of island-hopping, diving, or simply basking in the drenched tranquility of your floating sanctuary.

DAY 1: PHUKET

Your journey begins with your arrival in Phuket, where the crew will greet you. Step aboard your yacht, where the captain has selected the perfect mooring to enjoy your first evening at sea. As the sun sets, enjoy a gourmet alfresco dinner prepared by your private chef, accompanied by the gentle lapping of waves beneath a starlit sky.

DAY 2: KOH PHI PHI

This morning, we will set a course for Koh Phi Phi, one of Thailand's most spectacular areas. Spend the day exploring the crystal-clear waters of Koh Bida, a world-famous dive site teeming with vibrant marine life. Glide through hidden lagoons by kayak, snorkel alongside schools of tropical fish, or relax on the yacht's sundeck with a cocktail in hand. As dusk falls, step ashore to experience Phi Phi's vibrant nightlife or retreat to your private yacht.

DAY 3: KOH HAA

An early morning sail brings us to Koh Haa, a secluded archipelago of five limestone islets rising dramatically from the sea. This hidden gem offers great snorkeling, with its famed underwater caverns and swim-throughs at Koh Haa Hai. Immerse yourself in the ethereal beauty of these caves, where shafts of sunlight beam through the depths. Spend the afternoon basking on the beach.

DAY 4: RACHA ISLANDS

This morning, we will cruise to the unspoiled Racha Noi and Racha Yai islands, renowned for their crystal-clear waters and vibrant coral gardens. Dive into warm, shallow reefs filled with an abundance of marine life or take a jet ski to explore hidden coves. As evening approaches, your yacht sets course for the Similan Islands on an overnight passage.

DAY 5 - 7: SIMILAN ISLANDS

Awake to the breath-taking sight of the Similan Islands, a national park comprising nine spectacular isles known for their world-class diving and untouched natural beauty. Over the next three days, explore these tropical wonders, including:

- Koh Miang – Home to powder-soft beaches and exotic wildlife.
- Koh Bon & Koh Tachai – If conditions allow, venture to these remote islands for the best chances of encountering manta rays and whale sharks.
- East of Eden & Elephant Head Rock – Two of the region's most legendary dive sites, offering dramatic underwater landscapes and rare marine encounters.
- Donald Duck Bay – A picture-perfect anchorage where you can hike to panoramic viewpoints for spectacular sunset vistas.

On the final evening, the yacht will return to Phuket on an overnight passage.

DAY 8: PHUKET

This morning, the yacht will return to port. After a final breakfast on deck, your crew will assist you in disembarking and transfer you back to the airport to catch your flight home.

An aerial photograph of a yacht's wake in turquoise water, forming a large, circular shape. The water is a deep teal color, and the wake is a lighter, frothy white. The yacht is visible at the bottom of the circle, moving towards the right. The overall scene is serene and captures the beauty of the ocean.
